Reader Response Card

Please help us provide the best documentation possible by answering these questions and returning this card.

Mail: Cirrus Logic Inc., Technical Publications Manager
3100 W. Warren Ave., Fremont, CA 94538

Fax: (510) 226-2240

email: publications@corp.cirrus.com

Does this manual adequately help you understand and use the CL-GD546X? Please comment.

How do you use this book — did you (or will you) read it from cover to cover, or do you use it mainly as a reference?

Are Chapters 1 and 2 (Introduction and Overview) effective?

Is the manual well-organized? Please comment.

What would you do to improve this manual?

Do you reference the manual appendices?

Thank you for taking the time to fill out this card.
